PREAMBLE

In order to establish harmonious employment relations through a mutual process, to provide fair and equitable treatment to all employees, to promote the quality and continuance of public service, to achieve full recognition for the value of employees and the vital and necessary work they perform, to specify wages, hours, benefits and working conditions, and to provide for the prompt and equitable resolution of dispute, the parties agree as follows:

AGREEMENT

This Agreement has been made and entered into by and between the County of McHenry – Division of Transportation, Illinois (hereinafter referred to as the “Employer”) and the International Union of Operating Engineers, Local 150, Public Employees Division (hereinafter referred to as the “Union”) on behalf of certain employees described in Article 1.

ARTICLE I
RECOGNITION

SECTION 1.1: RECOGNITION

The Employer recognizes the Union as the sole and exclusive bargaining representative in all matters establishing and pertaining to wages and salaries, hours, working conditions, and other conditions of employment on which it may lawfully bargain collectively for employees within the following collective bargaining unit, as certified by the Illinois State Labor Relations Board:

****INCLUDED:** All full-time and regular part-time employees in the following classifications: Highway Maintenance Workers and Mechanics.

****EXCLUDED:** All other employees.

SECTION 1.2: NEW CLASSIFICATIONS

The Employer shall notify the Union within fifteen (15) business days of its decision to implement any and all new classifications pertaining to work of a nature performed by employees within the bargaining unit.

In the event there is a need for the establishment of new classifications including rates of pay, there will be a meeting for the purpose of establishing such classifications and rates by mutual agreement. Where agreement is not reached by the time work must be started, the Employer may start work at the rate it believes proper. If the rate mutually agreed on differs from that established by the Employer, such rate shall be retroactive to the start of work in the new classification. If the parties fail to agree on such rate within thirty (30) days of the start of work in the classification, the Union may appeal directly to arbitration within the next thirty (30) consecutive calendar days.

ARTICLE II

UNION RIGHTS

SECTION 2.1: UNION ACTIVITY DURING WORKING HOURS

Union activities within Employer facilities shall be restricted to administering this Agreement. A Union Steward shall ask for and obtain permission before leaving his/her job in order to conduct Union business. The Steward will ask for and obtain permission from the Department Head of any employee with whom he/she wishes to carry on Union business.

Authorized agents of the Union shall have access to the Employer's establishment during work hours for the purpose of adjusting disputes, investigating working conditions, and ascertaining that the Agreement is being adhered to, provided however, there is no interruption of the Employer's working schedule.

SECTION 2.2: TIME OFF FOR UNION ACTIVITIES

Union Stewards shall be allowed time off without pay for legitimate Union business, such as Union meetings and State or International conventions, provided such representative gives reasonable prior notice to his/her supervisor of such absence and the time off does not disrupt the operations of the Employer. The employee may utilize any accumulated time off (Holiday, Personal, Vacation Days, etc.) in lieu of the employee taking such without pay.

SECTION 2.3: UNION BULLETIN BOARD

The Employer shall provide a Union bulletin board at each work location. The board(s) shall be for the sole and exclusive use of the Union. The Union shall be responsible to ensure that only appropriate material is posted on the bulletin board.

ARTICLE III

UNION DUES/FAIR SHARE CHECKOFF

SECTION 3.1: DUES CHECKOFF

The Employer agrees to deduct from the pay of those employees who are Union members any or all of the following:

1. Union membership dues, assessments, or fees; and
2. Union sponsored credit or other benefit programs; and/or
3. Voluntary fair share dues.

Requests for any of the above shall be made on a form provided by the Union and shall be made within the provisions of the State Salary and Annuity Withholding Act and/or any other applicable State statute.

Upon receipt of an appropriate written authorization from an employee, such authorized deductions shall be made in accordance with the law and shall be remitted to the Union on a twice monthly basis at the address designated in writing by the Union. The Union shall advise the Employer of any increases in dues or other approved deductions in writing at least thirty (30) days prior to its effective date.

The Union shall certify the current amount of Union deductions.

SECTION 3.2: INDEMNIFICATION

The Union shall indemnify and hold harmless the Employer, its elected representatives, officers, administrators, agents and employees from and against any and all claims, demands, actions, complaints, suits or other forms of liability (monetary or otherwise) that arise out of or by reason of any action taken or not taken by the Employer for the purpose of complying with the provisions of this Article, or in reliance on any written checkoff authorization furnished under any of the provisions of this Article.

ARTICLE IV

HOURS OF WORK AND OVERTIME

SECTION 4.1: WORKDAY AND WORKWEEK

1. The workday for bargaining unit employees is eight (8) hours and the normal workweek is forty (40) hours, in a seven (7) day period, the normal workweek is Monday through Friday, except as required by Sec 4.1 (3), Snow and Ice Season.
2. Hours: The workday shall ordinarily start at 7:00 a.m. and end at 3:30 p.m. Between April 15th and September 15th the Employer may change the work hours to be 6:00 a.m. to 2:30 p.m. In situations of extreme heat, the Employer may authorize work hours to be 5:00 a.m. to 1:30 p.m., however, the employer reserves the right to determine the hours or work.
3. Snow and Ice Season: The period from November 15th and April 15th shall be designated as snow and ice season. During the snow and ice season the employer may adjust the work schedules of the employees and Division of Transportation operations to maximize the snow and ice removal and the protection of the public. This adjustment may include the use of twelve (12) hour shifts. The Employer will attempt to provide rest periods for employees on snow and ice duty and will attempt to return to the normal schedule as soon as possible after a snow or ice emergency.

The Employer may use seasonal employees to assist in snow and ice removal operations.

In no event shall these employees be scheduled in place of bargaining unit employees.

SECTION 4.2: LUNCH/REST PERIODS

1. Employees shall be granted two (2) fifteen (15) minute paid breaks, one during the first half of the workday and one during the second half of the workday. The time of the breaks will be approved by the supervisor depending upon the nature of the work being performed at that time.

2. Employees shall be granted and are expected to take a one-half hour unpaid lunch as near to the midpoint of each day as possible, unless approved by the supervisor. Employees leaving a remote work site for lunch shall notify the appropriate supervisor. The use of a county vehicle for lunch shall be subject to supervisor approval.

SECTION 4.3: OVERTIME COMPENSATION

The compensation paid employees for overtime shall be as follows:

1. A bargaining unit employee shall be paid at one and one-half times his/her regular hourly rate of pay when required to work in excess of forty (40) hours in a seven (7) day workweek.
2. A bargaining unit employee shall be paid at one and one-half times his/her regular hourly rate of pay for hours worked in excess of eight (8) hours in a day.
3. For purposes of calculating overtime, all hours for which an employee receives pay shall count as hours worked.
4. There shall be no pyramiding of overtime premiums. Overtime shall not be paid more than once for hours worked.
5. Employees who are off work on approved sick leave (dentist or doctor appointment only), personal leave, vacation leave or use of compensatory time shall be permitted to come in for overtime should the Employer call the employee for overtime work on that same day.

SECTION 4.4: OVERTIME DISTRIBUTION

The Employer agrees to distribute overtime as equally as possible among those employees who usually perform the type of work at issue. The employee working on any job, which extends into overtime, shall have first claim on the overtime. Consistent with the remainder of this section, the Employer may designate certain employees, based on skill level, to

perform overtime duties without equalization consideration. The parties recognize that they have an obligation to the community to provide services and that this obligation on occasion may require the working of overtime. To meet that objective, overtime shall be compulsory in emergency situations.

The employment of part-time, temporary, seasonal or non-bargaining unit personnel shall not work to deprive regular full-time personnel of opportunities to work overtime. However, if the full-time personnel who would have usually worked the overtime refuses it or is unavailable, the employer may work part-time or temporary personnel on said overtime without violating the Agreement.

The Employer shall track and list on the Union bulletin board an overtime list of all offered and declined overtime hours for each employee.

SECTION 4.5: CALL BACK

1. A "callback" is defined as an official assignment of work which does not continuously follow an employee's regularly scheduled working hours. Callbacks shall be compensated for at the appropriate overtime rate of pay, as stated above, for all hours worked on callback, with a guaranteed minimum of two (2) hours at such overtime rate of pay for each callback. It is expressly agreed that a callback assignment is for a specific purpose and the Employer shall not assign employees who complete their callback assignment busy work in order to fill the remaining hours.
2. If during the snow and ice season (Section 4.1 #3), after completion of their scheduled shift, the same crew/shift is "called back" within two hours of the end of that shift (overtime included) said time shall count as a continuation of shift. Overtime shall be paid at the appropriate overtime rate from when the shift ended.

SECTION 4.6: ON-CALL ASSIGNMENTS

1. Non-Winter Callout: In the event Division of Transportation services are required outside of normal business hours and for non-snow or ice emergencies, the Employer will notify members of the respected needed crew. Such notification will be made to members of the crew with needed skills and on an equal distribution among the employees as possible.
2. Winter Callout: In the event of a winter snow or ice callout requiring full service by the Division of Transportation, all employees will be notified.

In the event that the snow or ice callout only requires a partial callout of Division of Transportation employees, the Employer will notify sufficient employees to address the problem. Employees will be chosen by skill level and in a manner which will provide as equal distribution of overtime as possible.

SECTION 4.7: COMPENSATORY TIME

1. Compensatory time is accrued on the same basis as overtime.
2. An employee shall not be required to accept compensatory time off in lieu of overtime pay unless mutually agreed to by the employee and department head prior to performing the overtime work.
3. Employees may only request use of compensatory time between April 1st and November 15th of each year. However, based upon operational needs (including time granted in accordance with Article X Vacations, Section 10.2-4) the department head shall consider requests for use of compensatory time during the period of November 15th through April 1st.
4. Compensatory time may be accrued in pay periods where overtime has occurred. Employees can accrue up to 40 hours at any given time, however compensatory

time cannot be carried over from one fiscal year to the next. Any compensatory time not taken by November 15 will be converted to pay.

5. Employees shall, unless otherwise agreed, submit a written request to the department head or designee for approval at least one (1) business day in advance of use.

SECTION 4.8: MANDATORY REST PERIOD

Unless an employee agrees otherwise, employees will not be required to work more than sixteen (16) hours in a twenty-four (24) hour period without being allowed an eight (8) hour rest period. Should an employee reasonably believe that he or she can work more than sixteen (16) hours in a twenty-four (24) hour period, he or she will be permitted to do so only in the case of emergency or natural disaster and provided it does not impact the work hours/opportunity of another bargaining unit employee. The employer may require an employee to work more than sixteen (16) hours in a twenty-four (24) hour period only in the case of emergency or natural disaster. If an employee is required to work more than sixteen (16) hours in a twenty-four (24) period because of emergency or natural disaster, the employee shall be allowed an eight (8) hour rest period at the end of the work period.

ARTICLE V

SENIORITY

SECTION 5.1: SENIORITY DEFINED

An employee's seniority shall be the period of the employee's most recent continuous regular employment with the Division of Transportation.

SECTION 5.2: BREAKS IN CONTINUOUS SERVICE

An Employee's continuous service record shall be broken by voluntary resignation, discharge for just cause, retirement, failure to return from a leave of absence, and being absent for three (3) consecutive days with reporting off. However, if an employee returns to work in any capacity for the Employer within twelve (12) months, the break in continuous service shall be removed from his/her record.

SECTION 5.3: SENIORITY LIST

Once each year, the Employer shall post a seniority list for each Department showing the seniority of each employee. A copy of the seniority list shall be furnished to the Union when it is posted. The seniority list shall be accepted and final thirty (30) days after it is posted, unless protested by the Union or an employee.

SECTION 5.4: PROBATIONARY EMPLOYEES

An employee is probationary for the first six (6) calendar months of employment. Employees who are promoted within the bargaining unit shall not be required to serve an additional probationary period.

A probationary employee shall have no seniority, except as otherwise provided for in this Agreement, until he/she has completed their required probationary period. Upon such completion, he/she shall acquire seniority retroactively from the date of employment. During this period of probation, no grievance may be filed by or on behalf of such employee regarding discharge or discipline and he/she shall have no rights under this Agreement.

ARTICLE VI

LAYOFF AND RECALL

SECTION 6.1: DEFINITION AND NOTICE

A layoff is defined as a reduction in bargaining unit jobs. The Employer shall give the Union at least sixty (60) days notice of any layoffs except in emergency situations wherein such period of notice may be reduced.

SECTION 6.2: GENERAL PROCEDURES

In the event of a layoff, employees shall be laid off in inverse order of seniority as defined in Article V. However, prior to laying off any bargaining unit employees, all seasonal, temporary, probationary, part-time, or other non-bargaining unit employees who perform work customarily performed by bargaining unit employees within the effected departments shall be laid off or terminated, as the case may be.

SECTION 6.3: RECALL OF LAID-OFF EMPLOYEES

The names of laid-off employees shall be placed on a layoff list for twelve (12) months. Employees shall be recalled in order of seniority.

ARTICLE VII

DISCIPLINARY PROCEDURES

SECTION 7.1: EMPLOYEE DISCIPLINE

The Employer agrees with the tenets of progressive and corrective discipline and that it shall be imposed only for just cause. The Employer may impose the appropriate level of discipline based on the facts and circumstances of the matter at issue. Discipline shall include but not be exclusive of the following progressive steps of priority:

1. Oral warning with documentation of such filed in the employee's personnel file.
2. Written reprimand with copy of such maintained in the employee's personnel file.
3. Suspension without pay with documentation of such maintained in the employee's personnel file, with copy sent to Union office.
4. Discharge with documentation of such maintained in the employee's personnel file, with copy sent to Union office.

Pursuant to actual imposition of written reprimands, suspension without pay, or discharges, the employee shall be afforded an opportunity to discuss his/her views concerning the conduct causing such disciplinary action. Such discussion should take place as soon as practicable after the Supervisor's action and not be unduly or unreasonably delayed, and the employee shall be informed clearly and concisely of the basis for such action. Furthermore, upon request of the employee, a representative of the Union (Steward) shall be allowed to be present and participate in such discussions.

SECTION 7.2: RIGHT TO REPRESENTATION

Prior to any pre-disciplinary discussions with the employee, the employee shall be informed of his/her rights to Union representation due to the fact that disciplinary action may be taken.

ARTICLE VIII

GRIEVANCE PROCEDURE

SECTION 8.1: GRIEVANCE DEFINED

A grievance is defined as a dispute between the parties to this Agreement concerning the interpretation or application of this Agreement or its express provisions.

SECTION 8.2: PROCESSING OF GRIEVANCE

Grievances shall be processed only by the Union on behalf of an employee or on behalf of a group of employees or itself setting forth name(s) or group(s) of the employee(s). The Grievant or one Grievant representing a group of Grievants may be present at any step of the grievance procedure, and the employee is entitled to Union representation at each and every step of the grievance procedure. The resolution of a grievance filed on behalf of a group of employees shall be made applicable to the appropriate employees within that group.

SECTION 8.3: GRIEVANCE STEPS

A grievance filed against the Employer shall be processed in the following manner:

INFORMAL PRE-STEP: ORAL DISCUSSION WITH SUPERVISOR

Within ten (10) business days of the event giving rise to the grievance or of the day when the grievant, through normal diligence, should have become aware of the occurrence, an employee or Union representative who has a grievance may attempt to resolve the grievance orally with the employee's supervisor. If no such informal resolution is attempted or achieved, the Steward or Union representative may file and process a formal grievance in accordance with the following steps and limitation periods:

STEP ONE: SUPERINTENDENT

The Union may submit a written grievance to the Superintendent within ten (10) business days of the event giving rise to the grievance of the Union's reasonable knowledge of the events giving rise to the grievance. The Superintendent shall schedule a conference within ten (10)

business days of receipt of the grievance to attempt to adjust the matter. The Superintendent shall submit a written response within ten (10) business days of the conference. If the conference is not scheduled, the Superintendent shall respond to the grievance in writing within ten (10) business days of receipt of the appeal.

STEP TWO: DEPARTMENT HEAD

If the grievance remains unsettled at Step One, the Union may advance the written grievance to the Department Head within ten (10) business days of the response in Step One or when such response was due. The Department Head or his/her designee shall schedule a conference within ten (10) business days of receipt of the grievance to attempt to adjust the matter. The Department Head or designee shall submit a written response within ten (10) days of the conference. If the conference is not scheduled, the Department Head or designee shall respond to the grievance in writing within ten (10) business days of receipt of the appeal.

STEP THREE: COUNTY ADMINISTRATOR

If the grievance remains unsettled at Step Two, the Union may advance the written grievance to the County Administrator within ten (10) business days of the response in Step Two, or when such response was due. The County Administrator or his/her designee shall schedule a conference within ten (10) business days of receipt of the grievance to attempt to adjust the matter. The County Administrator or designee shall submit a written response within ten (10) business days of the conference. If the conference is not scheduled, the County Administrator or designee shall respond to the grievance in writing within ten (10) business days of receipt of the appeal.

STEP FOUR: ARBITRATION

If the grievance remains unsettled after the response in Step Three, the Union may refer the grievance to arbitration within fifteen (15) business days of the Step Three response. The Union shall request either the Federal Mediation and Conciliation Service or the American

Arbitration Association to submit a panel of seven (7) Arbitrators. The parties shall alternately strike the names of Arbitrators, taking turns as to the first strike. The person whose name remains shall be the Arbitrator, provided that either party, before striking any names, shall have the right to reject one (1) panel of Arbitrators.

Both parties agree to attempt to arrive at a joint stipulation of the facts and issues as outlined to be submitted to the Arbitrator. Both parties shall have the right to request the Arbitrator to require the presence of witnesses and/or documents. Each party shall bear the costs of its own witnesses.

Questions of arbitrability shall be decided by the Arbitrator. The Arbitrator shall make a preliminary determination on the question of arbitrability. If it is determined that the matter is arbitrable, the Arbitrator shall then proceed to determine the merits of the dispute. If either party objects, another panel will be requested and another Arbitrator selected.

In the conduct of any arbitration under this Article, the rules and procedure governing the conduct of arbitration proceedings of the American Arbitration Association shall control, except where specifically limited by this Article. The Arbitrator shall neither amend, modify, nullify, ignore, add, nor subtract from the provisions of this Agreement.

The expenses and fees of the Arbitrator and the cost of the hearing room shall be shared equally by the parties. Nothing in this Article shall preclude the parties from agreeing to the appointment of a permanent Arbitrator(s) during the term of this Agreement or to use the expedited arbitration procedures of the American Arbitration Association.

If either party desires a verbatim record of the proceedings, it may cause such to be made, providing it pays for the record and makes a copy available without charge to the Arbitrator. If the other party desires a copy, it shall equally pay for the expense of such.

The Arbitrator shall render his/her decision in writing to the parties within thirty (30) calendar days following the close of the arbitration hearing or the submission date of briefs,

whichever is later. The Arbitrator shall support his/her findings with a written opinion. The decision and opinion shall be based solely on and directed to the issue presented. The award shall clearly direct the parties as to what action(s) must be taken in order to comply with the award.

The decision and award of the arbitration shall be final and binding to the Union, employee(s) and Employer. Such decision shall be within the scope and terms of this Agreement but shall not change any of its terms or conditions.

SECTION 8.4: GRIEVANCE FORMS

The written grievance required under this Article shall be on a form which shall be provided by the Union. It shall contain a statement of the Grievant's complaint, the section(s) of this Agreement that have been allegedly violated, the date of the alleged violation(s) and the relief being sought. The form shall be signed and dated by the Grievant and/or his/her representative.

SECTION 8.5: SETTLEMENTS AND TIME LIMITS

Any grievance not appealed to the next succeeding step in writing and within the appropriate number of business days of the Employer's last answer will be considered settled on the basis of the Employer's last answer and shall not be eligible for further appeal, except that the parties may, in any individual case (except discharge cases), extend this limit by agreement of the parties.

SECTION 8.6: UNION STEWARDS

One (1) duly authorized bargaining unit representative shall be designated by the Union as the Steward. One (1) duly authorized bargaining unit representative shall be designated by the Union as the Alternate Steward. The Union will provide written notice to the Employer to identify the Stewards.

An employee shall be allowed to accrue up to 240 days of sick leave. Upon separation of employment any accrued sick leave is forfeited, however, employees eligible for retirement through IMRF may be credited for IMRF pension benefits up to a maximum of 240 days. Employees cannot begin a fiscal year with more than 240 days. Employees who have accrued more than 240 sick days as of December 1 of each year must determine if they wish to be credited for additional vacation days or to be paid for this unused sick leave. In either case,

earned sick days in excess of the 240 maximum allowable may be converted at two (2) sick days in exchange for one (1) regular day. However, no more than five (5) days ($10 \text{ sick days} \div 2 = 5 \text{ days}$) can be converted to vacation, unless mutually agreed upon by the department head or designee and the employee.

An employee is required to notify their Department Head, or designee, in the case of absence from work due to illness or illness in the employee's immediate family at least one (1) hour, or as soon as practicable, in advance of the starting time for the scheduled work day. If an employee misses more than one (1) day of work, the employee is still required to call their supervisor each day of their absence, unless otherwise agreed to by the employee and the supervisor.

An employee may be required to provide a physician's statement when returning to work after the use of three (3) or more consecutive sick days or upon the Employers reasonable belief that the employee is abusing sick leave. Employees who are unable to return to work upon expiration of sick pay benefits must request a leave of absence. The Employer reserves the right to require an employee using sick leave to be examined by a physician appointed by the Employer at the Employer's expense.

The Employer and Local 150 mutually discourage the abuse of sick leave. An employee shall be disciplined if the employee's attendance record reflects an abuse of sick leave. Evidence of such abuse may include, but is not limited to, a pattern of missed Mondays and/or Fridays (i.e. first or last day of the work week) or of attempts to use the sick leave the day after and/or the day before a regularly scheduled day off (i.e. a paid holiday, vacation day, compensatory day, personal day, or a combination thereof) or any other pattern of excess use of sick leave. An employee using five (5) or more sick days, which were not previously approved, within twelve (12) months shall provide a physician's statement for each occurrence thereafter prior to returning to work.

HEALTH INSURANCE AND OTHER BENEFITS

SECTION 13.1: HEALTH BENEFITS

The Employer shall provide regular full-time bargaining unit employees health insurance, through the Midwest Operating Engineers Local 150 Health and Welfare Fund ("Union Plan") and such employees will not participate in or be eligible for insurance coverage under the Employer's group health insurance plan during the term of this Agreement. New employees will be covered on the first day of the month following the date of hire. Throughout the entire term of this Agreement and for so long as required by law, the Union and authorized Trustees of the Union's health insurance plan represent and agree they will comply with all applicable laws to ensure that the health insurance plan offered to the covered employees includes a retiree health insurance to covered employees sufficient to satisfy the obligations of both the Employer and the Union as required by applicable law, including the Municipal Employees' Continuance Privilege, 215 ILCS 5/367j. Nothing herein shall be construed to require the Employer to pay for any of the cost of the Union's Plan for retirees.

The Union is solely responsible for the administration of COBRA, HIPAA, and other applicable federal and state mandates for the Union's insurance plans, including fees and penalties, if any, arising out of the provisions of the Patient Protection and Affordable Care Act or its replacement. In order for the Union to offer coverage under COBRA, HIPPA, or other applicable federal and state mandates, the employee must notify the Union's Plan of the applicable change in life status in accordance with the Union's Plan's requirements. Failure by the employee to notify the Plan on a timely basis of life status changes shall result in the employee being responsible for payment of the premiums or claims paid for an ineligible participant, and/or in denial of coverage by the insurance carrier or plan sponsor.

The Union recognizes that all health and dental insurance claim inquiries, complaints and grievances are not the responsibility of the Employer. The extent and scope of coverage under the Union's Plan shall be resolved according to the terms and conditions of said Plan and shall not be subject to the grievance and arbitration procedure of the parties' collective bargaining agreement. As long as the Employer makes timely payments for the coverage of bargaining unit employees under the Union's Plan, the Union shall indemnify and hold harmless the Employer, its members, officers, agents, and employees from and against any claims, demands, actions, complaints, suits, or other forms of liability (monetary or otherwise) that arise out of or by reason of the Employer's agreement to pay for insurance coverage for bargaining unit employees under the Union's Plan.

During the term of this Agreement, the Employer will contribute the following amounts to the Union Plan for such insurance coverage for the covered, active employees:

- From December 1, 2018 through the ratification of this Agreement the premium rates shall be as established under the prior agreement: \$775 single/\$1,850 for family.
- Upon ratification of the Agreement, , the Employer agrees to pay the following amounts to the Union Plan for such insurance coverage for the covered, active employees:
 - \$733 per month per employee for single coverage *or*
 - \$1,465 per month per employee for employee + 1 coverage *or*
 - \$2,235 per month per employee for family coverage
- For May 1, 2020; May 1, 2021, and May 1, 2022, the monthly premium rate shall increase by no more than ten percent (10%) or the actual rate set by the Fund, whichever is lesser. For example, if on May 1, 2020, monthly premiums for single coverage were to remain at \$733, the Employer would pay premiums of \$733, but if on May 1, 2020, monthly premiums for single coverage were to increase to \$784.31, the rate of increase would be 7%, and the Employer would pay monthly premiums of \$784.31 for single coverage. However, if, for example, on May 1, 2020, monthly premiums for single coverage were to increase to \$828.29, the rate of increase would be over 13%, and the Employer would only pay monthly premiums for single coverage of \$806.30, a ten percent (10%) increase in the monthly premium rates.

The Union will provide to the Employer a monthly census of active employees covered by the Union Plan by the first of each month. The Employer should only be

responsible for costs of properly assessed coverage. Payment will be made to the Union for coverage provided under the Union Plan by the tenth of each month. The Union will provide proof of premium rates for the Union Plan by January 1 preceding the effective year. An insurance audit may be conducted by the Employer on an annual basis. Upon request, the Union will provide enrollment forms and dependent verification. If necessary, Employees will fully cooperate by producing the requested documents. Failure to cooperate or producing false documents may result in discipline.

It is the general policy of the employer to continue to utilize employees to perform work they are qualified to perform. greater than 5%	1.75%

Wage rate and starting rate increases are dependent upon the increases in monthly premium rates for health insurance from the previous year. For example, if on July 1, 2020, single coverage monthly premiums were \$783, the rate of increase would be 7% over the prior year (\$733), and therefore the wage rate and starting rates would increase by 1.75%. However, if, for example, on July 1, 2020, single coverage monthly premiums were \$747, or 2% more than they were on July 1, 2019 (\$733), then the wage rate and starting rates would increase by 2.25%.

 July 1, 2020, \$22.00
 July 1, 2021, \$22.00

There is no retroactive pay for employees who are not working for the Employer at the time of the Union's Ratification of this Agreement.

2. While having a blood alcohol concentration (BAC) of 0.04 or greater;
3. Within 4 hours of using alcohol;
4. Refusing to submit to an alcohol test; or

5. Using alcohol within 8 hours after an accident or until after a required post accident test.

An employee holding a CDL as a condition of employment is prohibited from any unauthorized use of controlled substance(s) on or off duty.

Testing for alcohol/drug(s) use is required under 5 situations:

1. Pre-Employment. Conducted before applicants are hired into a position requiring a CDL or before an employee is transferred from a position not requiring a CDL to a position that requires the possession of a CDL.
2. Post-Accident. Conducted after an accident of a CDL driver.
 - a. Who was issued a citation for a moving traffic citation;
 - b. For a driver involved in a fatal accident, regardless of whether the driver received a citation;
 - c. An accident where one or more persons involved in the accident are treated away from the scene, immediately thereafter, for injuries sustained in the accident;
 - d. Accident where one or more of the vehicles is towed away from the scene due to disabling damage;
 - e. Any time there is property damage to a County vehicle and/or person's property (i.e.: vehicle fence, mailbox, etc.).
3. Reasonable Suspicion. Conducted when a supervisor observes behavior or appearance that is characteristic of an alcohol/drug misuse. A supervisor's determination that reasonable suspicion exists shall be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech, or body odors of the driver. The supervisor must complete a Reasonable Cause/Suspicion Form.
4. Random. Conducted throughout the year on a random unannounced basis immediately before, during, or immediately after the driver's performance of CDL activities.
 - The procedure used to determine which drivers are subject to random testing in a given year shall ensure that each CDL driver has an equal chance of selection.
5. Return to work and follow-up. Conducted when a driver has violated any prohibited alcohol/drug conduct standards returns to work in capacity requiring a CDL. The driver is subject to a minimum of 6 unannounced follow-up tests over the first 12 months after their return to duty in a CDL position. Follow-up testing may be extended for up to 60 months following a driver's return to CDL position. The frequency and time period is determined by the Substance Abuse Professional (SAP).

RANDOM ALCOHOL TESTING

Random alcohol testing shall be conducted on an unannounced basis on unannounced dates and times with unpredictable frequency through the year. Initially, the number of random tests conducted by the County must be equal to at least 25% of the County's entire employees required to have CDLs.

There are three categories of test results:

1. Blood alcohol concentration below 0.02 equals a negative result.
2. Blood alcohol concentration between 0.02 and 0.04 requires the driver to stand down for 24 hours.
3. Blood alcohol concentration equal to or greater than 0.04 equals a positive result.
 - The rules require breath testing to be done on Evidential Breath Testing (EBT) devices approved by the National Highway Traffic Safety Administration (NHTSA). A screening test is conducted first. Any result less than 0.02 blood alcohol concentration is considered negative. If blood alcohol concentration is 0.02 or greater, a second confirmation test must be conducted.
 - A CDL driver who has a confirmed blood alcohol concentration when tested of 0.02 or greater shall be removed from County driving related activities for 24 hours, without pay.
 - When the results of either a Random Alcohol Test or Reasonable Cause/Suspicion Alcohol Test lead the County to find that a CDL driver has engaged in prohibited alcohol conduct. The driver will immediately be removed from driving any County motor vehicle, without pay.
 - The driver cannot resume the operation of a commercial motor vehicle for the County until he/she:
 1. Is evaluated by a Substance Abuse Professional;
 2. Complies with all treatment recommendations; and
 3. Tests negative in a follow-up test.
 - A finding that a CDL driver has engaged in prohibited conduct may result in the County imposing discipline, up to and including discharge from employment.
 - The CDL driver is responsible for all costs relating to a positive Random or Reasonable Cause/Suspicion testing.

RANDOM DRUG TESTING

Random drug testing shall be conducted by the County on an unannounced basis and must initially equal a number that is at least 50% of all County CDL drivers. The number of tests in subsequent years is based on the number of positive drug test results in the preceding year.

- Drug testing is conducted by analyzing a CDL driver's urine specimen. The analysis is performed at laboratories certified and monitored by the Department of Health and Human Services for the following drugs:
 1. Marijuana (THC metabolite);
 2. Cocaine;
 3. Amphetamines;
 4. Opiates (including heroin); and
 5. Phencyclidine (PCP)
- The testing is a 2-stage process. First, the screening test is conducted. If it is positive for one or more of the drugs listed above, then a confirmation test is conducted for each identified drug. The confirmation test is a gas chromatography/mass spectrometry (GC/MS) analysis.
- Any CDL driver who has a positive result on the confirmation drug test is interviewed by the Medical Review Officer (MRO). The driver cannot resume the operation of a commercial motor vehicle until he/she:
 1. Is evaluated by a Substance Abuse Professional;
 2. Complies with all recommended rehabilitation; and
 3. Tests negative to a follow-up test.
- The County will utilize Centegra Memorial Medical Center physician as the Medical Review Officer (MRO).
- The findings by the MRO that a driver has engaged in prohibited conduct may constitute cause for termination of employment with the County.
- The CDL driver is responsible for all cost relating to a positive random drug testing.
- If a driver is taking prescription medications in conformity with the lawful directions of the prescribing physician or non-prescription medications in conformity with the manufacturers specify dosage and the driver notifies the County and the testing facility before laboratory tests. A positive test result consistent with the ingredients of such medications shall not constitute cause for discipline. The County may require the driver to provide evidence that all prescription medication have been lawfully prescribed by a physician.

EDUCATION and TRAINING

- Annually the County will provide information concerning drug and alcohol abuse to all CDL drivers.
- Only trained supervisors may make a determination of reasonable suspicion for drug and alcohol testing of any CDL driver.
- Risk Management is available to answer driver's questions regarding this policy and its application.

CONFIDENTIALITY

All alcohol/drug testing results and records are maintained under strict confidentiality by the Department Head, drug testing laboratory, medical review officer (MRO), and when applicable, the Substance Abuse Professional (SAP). Such materials will not be released to others without the written consent of the driver.

- Exceptions to the above as prescribed by law to the confidential provisions:
 1. Federal and State transportation agencies with jurisdiction;
 2. When license or certification actions may be required; or
 3. A decision-maker in grievance, arbitration, litigation, or administrative proceedings arising from a positive test result or driver initiated action.

ADDITIONAL DISCIPLINARY PENALTIES

Discipline may be imposed by the County for any of the following behaviors in addition to those referred to in other sections of this policy.

1. Refusal to Provide a Urine Specimen. A driver's refusal to provide a urine specimen for laboratory testing, when required by the County in its efforts to comply with the Omnibus Employee Transportation Act of 1991 will constitute cause for discharge.
2. Refusal to Submit to Evidential Breath Testing. A driver's refusal to submit to an Evidential Breath Testing, when required by the County in its efforts to comply with the Omnibus Employee Transportation Act of 1991 will constitute cause for discharge.
3. Tampering with or Substitution of a Specimen. Intentionally tampering with, causing another person to tamper with, substituting for, or causing another person to substitute for a urine specimen. The driver's own or another driver's specimen shall constitute cause for discharge of the driver who engages in such activities.

VOLUNTARY REQUEST FOR ASSISTANCE AND DISCIPLINE

The County will take no adverse employment action against any driver required to maintain a CDL as a condition of employment who voluntarily seeks treatment, counseling, or other support for an alcohol or drug related problem. The County may require reasonable reassignment of the driver with pay corresponding to the reassigned position.

The County will make available through its group health care plan a means by which the driver may obtain counseling and/or referral for treatment. All such requests for assistance and/or referral for treatment shall remain confidential and any information received by the County concerning counseling, referral, and/or treatment shall not be used in any manner adverse to the driver's interest.

- The foregoing is contingent upon:
 1. The driver agreeing to the appropriate treatment as determined by the physician(s) involved, including the driver's physician.

2. The driver discontinues his/her drug(s) or abuse of alcohol.
3. The driver completes the course of treatment prescribed, including an "After Care" group for a period of up to 12 months.
4. The driver agrees to submit to random testing during working hours during the "After Care."
5. Drivers that do not comply with or do not act in accordance with this section, or test positive a second or subsequent time for the presence of drug(s) or alcohol shall be subject to immediate discharge.
6. The foregoing shall be construed as an obligation on the part of the County to retain a driver on active status throughout the period of rehabilitation. If it is appropriately determined that the driver's current use of alcohol or drug(s) prevents such individual from performing his/her CDL activities in a safe manner such driver shall use accumulated paid leave or take unpaid leave of absence, depending upon treatment.

RECORDKEEPING

In order to provide certain information to the Federal Highway Administration and to protect driver confidentiality, the County is required to maintain certain records of its alcohol and drug use prevention program. The records will be maintained in a secured location with controlled access by authorized personnel.

- The types of records to be maintained include:
 1. Documents related to the random selection process for drug and alcohol testing;
 2. Records related to a driver's test results;
 3. Records related to education and training; and
 4. Records related to driver's licenser.
